

BRIGITTE VOSS

Youth, enthusiasm, and a breath of fresh air, will enhance Vision Action Team Broué with the addition of candidate Brigitte Voss.

A native of Sainte-Agathe-des-Monts, this mother of 2 has an impressive track record and a sustained involvement in several fields. She holds a bachelor's degree in geography and a master's degree in environmental sciences from UQAM.

Professionally, since last March, she is Director of the Environment and Sustainable Development Department for the town of Saint-Sauveur, and prior to that, she was a specialist in waste management for the MRC des Laurentides. Before that an environmental advisor and consultant, inspector and environmental manager for the municipality of Lantier. Since 2012, she has been the owner of Alter Éco Friperie located in the heart of Sainte-Agathe-des-Monts. Teacher and editor in environmental education are among her many accomplishments.

At the community level, she has left her mark on the board of directors of the Quebec section of the Canadian Parks and Wilderness Society (CPAWS), in addition to sitting 5 years on the governing board of Fleur-des-Neiges school. In 2014, at the annual gala of the Grand Sainte-Agathe Chamber of Commerce, she won the Hugo-Roy Prize, in the Young Entrepreneur category.

Her exceptional listening skills, her dynamism, and her great ability to understand today's issues make Brigitte Voss a candidate of choice for Vision Action Team Broué.
