

## HUGO BERTHELET

Hugo Berthelet is a young physical education teacher who holds a bachelor's degree in physical education from the University of Montreal (2004). Previously, he had completed training in Police Techniques at the Ahuntsic Cegep.

He began his career at the Marguerite-Bourgeois School Commission, from 2004 to 2006, prior to accepting a new challenge at the Laurentian School Service Center. In addition, he participated in the National Coaching Certification Program (NCCP), obtaining a Technical Level 1 in several disciplines (basketball, volleyball, baseball, badminton, fencing and athletics) and subsequently completing an Associate Master Training in Teaching.

In addition to his teaching role, he was a member of the governing board of the Lionel-Groulx school from September 2012 to June 2019 and also that of the Fleur-des-Neiges school in the fall of 2019, a position that he still occupies. In addition, he was a school manager at Lionel-Groulx for 3 years.

Devoted to his community, Hugo was particularly involved in the Grand Défi Pierre Lavoie. At school, he has coached several extracurricular teams, co-organized the Fleur-des-Neiges race, was responsible for circus school projects at the Notre-Dame-de-la-Sagesse and Lionel-Groulx / Bazinet schools and co-initiator of the Pump Track project at Notre-Dame-de-la-Sagesse, in addition to writing up several projects for well-known foundations (Bon Départ, Fondation Tremblant, the foundation for the success of CSL students, etc.).

But his involvement does not stop at the school level. He was coach of a few women's baseball teams in Sainte-Agathe-des-Monts, responsible for the Rallye-Cap baseball initiation program and since December 2018, a member of the board of directors of the Sainte-Agathe-des-Monts minor baseball association. At the end of that same season, he was chosen as volunteer of the year by the local association. Finally, since February 2019, he has been a member of the Sainte-Agathe-des-Monts urban consulting committee (CCU).

Energetic, attentive to citizens and with this long list of successes, Hugo represents the future of our community, enriched with a new vision of a better tomorrow for Sainte-Agathe-des-Monts.
