

## NATHALIE DION

A specialist in damage insurance, Nathalie Dion is a woman of action on whom Team Broué can count during the next four years. Dynamic, socially involved and loved by all, she will add an important feminine point of view, to the town council of Sainte-Agathe-des-Monts.

Native of Boisbriand, Nathalie has 4 siblings. She is the mother of 3 grown-up daughters (Katrine, Marie-Soleil and Gabrielle Leroux) and has been a grandmother for over 2 years. She completed her high school studies in Saint-Donat and Sainte-Agathe-des-Monts prior to returning to her hometown of Boisbriand. In 1987 she returned to Sainte-Agathe-des-Monts, to make her living in her adopted town.

As an employee of La Turquoise for over 30 years, Nathalie completed her training as a damage insurance broker in 1992, followed by training in accounting in 1997. She first worked at the Laurentian Central Lending Library (now Biblio des Laurentides), at S. Bourassa Alimentation, and Amyot Gélinas. And, since 1996 she has been working part-time in the accounting of at her children's father, Alain Leroux's garage.

"I have always been very involved with my children's school, Fleur-des-Neiges," says Nathalie. She also left her mark at the Club des Petits Déjeuners, as well as a commissioner, on the Laurentian School Service Center, for 4 years.

However, it was with the Greater Sainte-Agathe Chamber of Commerce that she was most noticed. As a member of the Chamber from May 2013 to September 2020, including 4 years as vice-president, in 2016, as part of Festi-Neige, she was the recipient of the Michel-Chalifoux trophy, awarded to the volunteer of the year. Then, in 2019, at the annual gala of the Greater Sainte-Agathe Chamber of Commerce, she won the Ovide-Monette Prize as employee of the year.

Nathalie believes she still has a lot to give. Her interpersonal skills and attentiveness make her a excellent candidate in the upcoming elections this November 2021.
