

## SYLVAIN MARINIER

Team Broué can count on the return of solid veterans in the upcoming municipal elections in Sainte-Agathe-des-Monts. Among them, Sylvain Marinier, who has almost 18 years of experience in municipal politics.

A native of Sainte-Agathe-des-Monts, Sylvain comes from a family of 6 children. His father, Arsène Marinier, had a career as foreman and volunteer firefighter for more than 30 years in the municipality of Sainte-Agathe Sud (before the merger with Sainte-Agathe-des-Monts). Father of 2 children, Kelly-Ann and Jessica, Sylvain is also the grandfather of granddaughter, Billie. His wife, Sophie Dufour, has worked for over 35 years in the insurance business in the Sainte-Agathe-des-Monts area.

Sylvain is the Materials Manager at Lortie & Martin since 1982. Involved in their business, he supports the Lortie & Martin social club and their annual golf tournament, whose mission it is, to collect donations for the benefit of various local community organizations.

Sylvain Marinier was first elected in 2003. He was responsible for the Fire Safety Committee, and continues to chair the Recreation, Culture and Family Committee today. He is also a member of the urban planning and sustainable development committee and represents the city on the board of directors of Sainte-Agathe-des-Arts.

At the community level, he has supported the Sainte-Agathe-des-Monts Figure Skating Club where his daughters were members for several years, and he also participates regularly in various social events in the town of Sainte-Agathe-des-Monts.

But his achievements do not end there. He participated in the renovation project for the Sports Center, and also that of the theater Le Patriote. He is also involved in the activities of Sainte-Agathe-des-Arts, our very successful cultural organization, and he piloted the water games project at Place Lagny.

“Sylvain is a key member of our team. A quiet force and a solid asset for the community of Sainte-Agathe-des-Monts,” said Team Broué leader Frédéric Broué.
